The event is an opportunity for students to invite a "special loved one" to come have lunch with them at school and shop the Book Fair!

This includes Mom, Dad, Grandparents, Aunts, Uncles, even your babysitter...

You pick which date works best for you.

Bring a sack lunch and join your student during the lunch hour.

Then, shop the Book Fair together and support your child's love of reading!

Each student shopping with a loved one will earn a raffle ticket into a drawing for a special prize.
