

Dear Grundy Families,

I would like to share with you two bits of information that I gave to the students this past week.

1. A friendly reminder to you that the deadline to register online for the FREE Six Flags Reading Reward ticket is Feb. 15th. I have attached the previously sent home explanation letter, instructions, and teacher codes to this email. You may also find this information on the Grundy website and Grundy PTO Facebook page. Please feel free to contact me if you have any questions.

2. We used a super fun app last week in the library to add a little something extra to our read alouds and to celebrate World Read Aloud Day. It is a free app called Novel Effect. Please check it out. You can download it to your phone or tablet. Using the microphone on your device, it follows along as you read aloud while it adds sound effects and music to the story. The students in all grades really enjoyed it!
