Please register at: www.mortonpremiersoccer.com For more information please email: mortonpremier@gmail.com

Ready for a Covid-reset? Ready to upgrade your current player to professional training? Or just ready to start your youngest players with a solid foundation? MPSC can help!

At MPSC, we believe training matters and that professional training creates success.

TRAINING MATTERS

- In 2019, the majority of MHS varsity STARTERS (and several of the first subs off the bench) on the MHS Men's Soccer team had trained with MPSC coaches. This team went undefeated in the Mid-Illini Conference and posted a MHS school record for wins (24) and advanced deep into the playoffs (Super Sectionals).
- In 2019, the majority of MHS varsity STARTERS of the MHS Women's Soccer team (Regional Champs) had trained with MPSC coaches. In addition, in both 2018 and 2019, all freshman MPSC players made the MHS Women's Varsity team.

PROFESSIONAL COACHES

- Many of our MPSC coaches also coach locally at ICC. One of our lead coaches,
 Oz Bakirdan, was named the NJCAA Mid-West Athletic Conference Coach of the
 Year for both ICC Men's and Women's soccer teams! Our club is lucky to have such
 a highly esteemed professional coach developing our younger players.
- In addition, Coach Bakirdan & his ICC staff were named Central District Coaching Staff of the Year for 2019 Men's soccer. Coach Bakirdan's ICC staff consists of 3 other MPSC coaches that share their talent and leadership with our young MPSC players.

TIME COMMITMENT

- Players practice two nights a week (90 minute sessions), with optional additional training on a few selected nights of the season.
- Travel includes 3-4 tournaments, most of which are close to home and do not require hotel overnights. MPSC's schedule is 100% comparable to other local soccer clubs like PFCU (Peoria) and MYSO (Morton Fury)

MPSC. COACHING MATTERS. TRAINING MATTERS.
