

WARD GRUNDY ELEMENTARY SCHOOL

Gator Families~

May 20, 2021

We are so proud of our Grundy Gators and how hard they've worked all year! As we all take time off from school to relax and enjoy summertime, we want to look ahead to some **exciting** things we have planned for our next school year to grow our love of reading.

Reading is our fundamental base for **all** that we do. It's important that our Gators read this summer and **enjoy** taking adventures in books! So, Gators, we have a challenge for you...read as **many** books as you can, in as many places as you can, and find ways to make reading part of your summertime **fun!!!**

We want to see where you are reading!! Whether you are in your backyard, at the library, on a beach, in the mountains, or on your couch, we want to see pictures of you reading! Please take pictures of your #GrundySummerReadingAdventures2021 and email them to: mindy.wendling@mcusd709.org. We have a year of **excitement** planned for reading fun, and will kick off the year in August showcasing the reading adventures our **Gators** had this summer!

Have a **wonderful** summer break! We can't wait to see where **reading** takes you over the next few months!
