

## WARD GRUNDY ELEMENTARY SCHOOL

Gator Families~

July 19, 2021

We hope this letter finds you and your family enjoying every bit of **fun** and summer **SUN** right now! As school is starting to ~~creep~~ closer, it's time to think about sending in your summer reading photographs. Grab a book, enjoy this beautiful weather while reading, and send us where reading took you this summer!

***We want to see where you are reading!!*** Whether you are in your backyard, at the library, on a beach, in the mountains, or on your couch, we want to see pictures of you reading! Please take pictures of your #GrundySummerReadingAdventures2021 and email them to: [mindy.wendling@mcusd709.org](mailto:mindy.wendling@mcusd709.org). We have a year of **excitement** planned for reading fun, and will kick off the year in August showcasing the reading adventures our **Gators** had this summer!

Have a **wonderful** summer break! We can't wait to see where **reading** takes you over the next few months!
